CARBONISTE

MODERN SPARKLING WINE

A product of much inspiration but not imitation, this brand has been born out of our love of sparkling wine and a desire to reimagine sparkling wine in California. CARBONISTE is dedicated to making sparkling wines that are modern and reflective of grape and place.

Our 2024 Gomes Vineyard Sparkling Albariño is a light and fresh sparkling wine with notes of gooseberry, kumquat, and stonefruit blossom. It is a fantastic aperatif wine and is guaranteed to pair so many favorite recipes including grilled octopus!

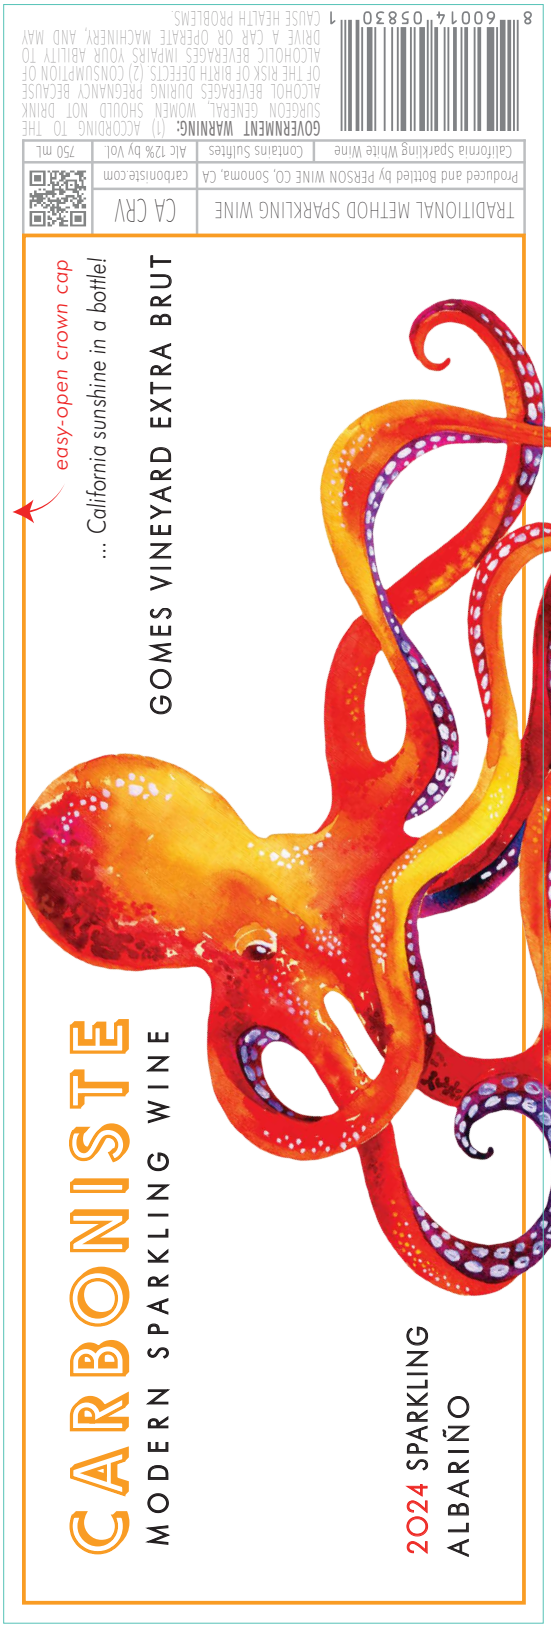
Vineyard

The Gomes family has been farming on Andrus Island since the 1800's when they immigrated from Portugal, where Albariño (Alvarinho) is grown extensively in Vinho Verde near the Atlantic Ocean. This site has deep, rich soil, well fed from the Sacramento River delta. It is **dry farmed** without cultivation and is **transitioning to organic farming** certification.

Winemaking (Traditional + Modern)

Juice for this wine was fermented in stainless steel tanks with **native yeast**. After resting a few months in tank, the wine was bottled with fresh yeast and a small amount of sugar for fermentation (**traditional method**). The resulting sparkling wine was aged briefly prior to riddling and **hand disgorging**. The overall short aging of this wine ensures **brightness and freshness** that makes the wine really stand out.

After a light dosage, the bottles were capped again in order to preserve the **natural youth and freshness** of the wine. We prefer crown caps as a final closure. They are safe and easy to open, and they are trusted across the world to age wines before disgorging (including Champagne!)



Harvested 8/12-8/15/2024 20.6° BX	Bottled 1/13/2025 18 g/L sugar	Disgorged 07/08/2025 5 g/L dosage
pH 3.35	TA 6.2 g/L	4.8 BAR
Produced: 30,875 bottles (2573 cases)		12% ABV
Origin: Gomes Vineyard, Isleton, CA		Variety: Albariño
Winemakers: Dan and Jacqueline Person		Released: 08/04/2025

Champagne is from France. CARBONISTE is California.
